#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

Monohybrid Genetics Problems Name _____ 

1. Black coat is dominant over white coat in guinea pigs. A homozygous black pig is mated with another homozygous black pig.

What are the genotypes of the parents? _____

What will be the genotypes, phenotypes, and probabilities of the first generation?

Genotypes	Phenotypes

What is the probability that white offspring will be produced? _____

2. A heterozygous black pig is mated with a homozygous black pig.

What are the genotypes of the parents? _____

Work the problem showing the possible genotypes and phenotypes of the offspring and the probabilities of each.

Genotypes	Phenotypes

3. A black pig is mated to a white pig. In the F₁ generation there were 1 black and 1 white pig. Give the genotype of the parents.

4. Two heterozygous black pigs are mated. Show the genotype, phenotype, and probabilities of the offspring.

What are the genotypes of the parents? _____

Genotypes	Phenotypes
